

Millions Use It For Colds

Because "Pape's Cold Compound" relieves cold or gripe misery in a few hours—Really wonderful!

Don't stay stuffed-up! Quit blowing and sniffling! A dose of "Pape's Cold Compound" taken every two hours until three doses are taken will stop gripe misery and break up a severe cold either in the head, chest, body or limbs. It promptly opens clogged-up nostrils and air passages; stops watery discharge or nose running; relieves

sick headache, dullness, feverishness, sore throat, aching, soreness and stiffness. "Pape's Cold Compound" is the quickest, surest relief known and costs only a few cents at drug stores. It acts without assistance, tastes nice, and causes no inconvenience. Don't accept a substitute. Insist on "Pape's" nothing else.—Advt.
